

MARINE MILITARY ACADEMY'S POST-GRADUATE PROGRAM

The Marine Military Academy in Harlingen, Texas resides on the 142-acre tract of a former Air Force navigation school right next door to Valley International Airport. Academic classes are conducted in three buildings—Coleman Hall, Tom T. East Jr. Math and Science Center and Belle Blaschke Foreign Language and Social Sciences Building. The Harold James Library and Learning Center houses the Computer Learning Center with over 30 stations, Internet resources and over 17,000 volumes. The Colonel Phillip J. Yeckel auditorium seats 1,076 and serves as a cultural center for guest lecturers and performers. Cadets are assigned to companies and live in 1 of 6 barracks. Peacher Hall dually serves as an event and Cadet Activity Center. The Campus includes several leadership and self-confidence building courses, including a 30-foot climbing wall/rapelling tower. The Parade deck is located directly adjacent to the original Iwo Jima Monument used to cast the monument in Arlington National Cemetery.

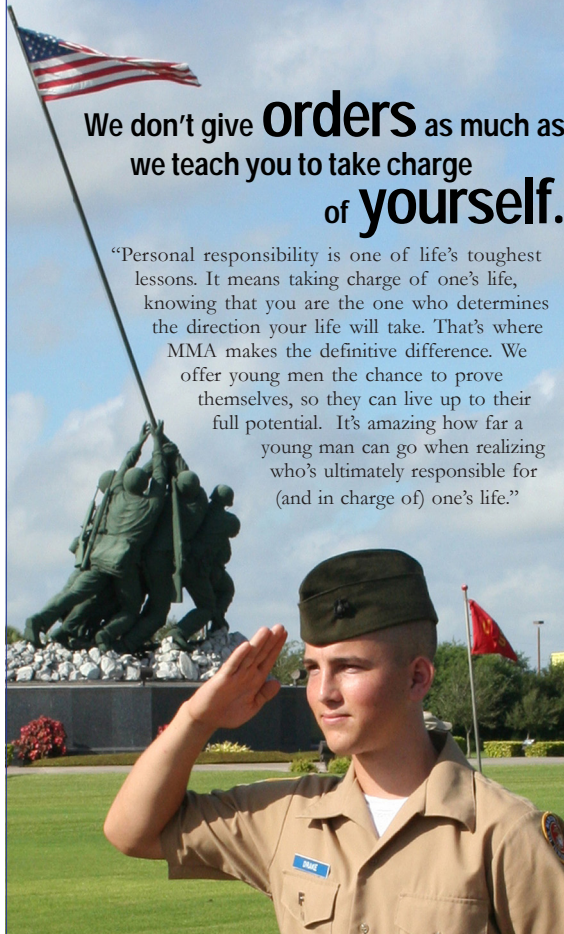

What makes our program succeed where others fail?

Some may venture it is the **MILITARY STRUCTURE** and **DISCIPLINE** that sets Marine Military Academy apart from other school environments and makes Post-Graduate Cadets extremely successful. All Cadets receive a firm grounding in the core values of the United States Marine Corps: **HONOR, COURAGE, and COMMITMENT**. Employing the Marines' ideals and work ethic, our graduates learn how to apply leadership skills and techniques and how to stand up to any test or challenge.

Attending the Marine Military Academy is not a visit to Disneyland, nor is it military bootcamp. Yes, we adhere to Marine Corps grooming and appearance standards, and we wear Marine uniforms. We have a Marine Junior Reserve Officer Training unit. The daily schedule is regimented. Depending on your previous academic performance, you'll find yourself in accelerated classes such as Political Science, Physics and Chemistry Advanced Placement, English Composition, Calculus, Statistics, Computer Basics including Java Programming, Spanish and Chinese foreign languages. Electives include Marine Science and Aerospace - you could earn your private pilot's license while you're here at MMA! There's daily college placement assistance, ample study and "free" time as well as a multitude of extracurricular activities to choose from.

We pride ourselves on being a campus where drugs, alcohol, and tobacco are not tolerated.

So, what are you waiting for? Discover your personal best ... enroll **TODAY** in Marine Military Academy's Post-Graduate Program and **GET ON WITH YOUR LIFE!**

We don't give **orders** as much as we teach you to take charge of **yourself.**

"Personal responsibility is one of life's toughest lessons. It means taking charge of one's life, knowing that you are the one who determines the direction your life will take. That's where MMA makes the definitive difference. We offer young men the chance to prove themselves, so they can live up to their full potential. It's amazing how far a young man can go when realizing who's ultimately responsible for (and in charge of) one's life."

MARINE MILITARY ACADEMY POST-GRADUATE PROGRAM

HONOR COURAGE COMMITMENT

The Marine Military Academy develops disciplined, morally strong, college-ready young men who are prepared for responsible leadership.

320 Iwo Jima Boulevard • Harlingen, Texas 78550 • (956) 426-6006 Ext. 861• <http://www.mma-tx.org>

Thomas E. Kolongowski

Board Trustee -
MARINE MILITARY ACADEMY

United States Naval Academy
Class of '86

MARINE MILITARY ACADEMY
Class of '82

Thanks to the Marine Military Academy (MMA), I am where I am today - a powerful, positive asset for a successful company - able to give back to the institution that gave so much to me. Upon graduation from my local high school, my next goal was to be accepted to and graduate from the Naval Academy. However, I found myself lacking the skills and knowledge needed for the Naval Academy to consider me a solid candidate. That's when a family friend made me aware of MMA's Post-Graduate program...and the rest is indeed history!

I would never have learned about and attended MMA were it not for that family friend's insight, and I have been grateful ever since. That one-year post-graduate education and experience at MMA made a huge difference in my career pathway. During that year, I learned the skills and techniques necessary to be successful in college and life, gained acceptance to the Naval Academy, completed the Naval Academy program, served our Country, and returned home to work my way up the corporate ladder to where I am today - a leader and executive of The McIntyre Group, President of the Collegium Charter School Foundation Board, and Board Trustee of the United States Naval Academy Alumni Association and Marine Military Academy's Board.

I wholeheartedly endorse MMA's Post-Graduate Program for any young man that is up to MMA's tough academic, physical and moral challenge!

Our boys graduated from Marine Military Academy in 2000 and 2003. We are very proud of MMA and the foundation the boys received. From there, they went on to both graduate from The Citadel Military Academy of South Carolina. We are SO PROUD OF THEM!

Matthew (Golf Company MMA-'03) was accepted in 2003 to the Citadel Military College, and graduated in May of 2007 - Civil Engineering program. He's already working for a top notch company! **Nicholas** (Golf Company MMA-'07) also earned acceptance to the Citadel Military College, graduating from the Citadel School of Business Administration. He is also working his way up the career ladder ... and doing it very quickly!

We are very proud of both our sons and their roots at MMA. Chase and I continue to recommend parents to send their boys to MMA. Chase and I know the value of sending the boys to MMA and are happy to speak on behalf of the Academy to parents...We feel very strongly about MMA and the importance of staying involved.

Best always,
Chase and Jacklyn Lang

Here's just a few of the universities and service academies
Marine Military Academy's graduates have earned acceptance to:

Arizona State University
Auburn University
Babson College
Baylor University
Berklee College of Music
Boston College
California Maritime Academy
California Polytechnic State University
California State: Chico
California State: Fullerton
California State: Sacramento
Carnegie Mellon University
